- Westbury Group practice is located over two sites.
- Primarily based at our modern, purpose built health centre.
- PMS Practice with over 22,000 patients.
- We are a proud to be a Training Practice and we offer the opportunity to be involved in teaching of both GP Registrars and medical students.
- Advanced Nurse Practitioners assisting with on the day care.
- Efficient and highly supportive administrative teams.
- Personal development and special interests encouraged and supported.
- Formal mentorship and educational support.
- Democratic and friendly team. Innovation and new ideas welcome.
- Flexible working pattern.
- Opportunities to be involved with clinical trials and research.
- SystemOne clinical system used.
- Defence Union fees paid.
