TCOP Nurse Full Time Position Salary will be discussed at interview.

We are seeking a motivated and enthusiastic registered nurse to be part of our transforming care of older peoples' team and wider practice team. You would be assessing, planning, implementing and evaluating the care of older people with complex needs in the community.

It is a varied role, incorporating home visits to promote health and independence, prevent hospital admission and support advance care planning. You would also be part of our leg club team supporting patients with chronic lower leg wounds. The role will primarily be based at the White Horse Health Centre.

Closing Date – 03/12/2018
Interviews Commencing – 10/12/2018

To apply for the position advertised here, please send your CV and covering letter to wccg.wgppatientvoice@nhs.net.

If you'd like to apply in writing or are looking for more information about the role, please contact Sam Rawlings (HR & Site Manager), based at the White Horse Health Centre.
